

List of eligible developing countries

The Netherlands' JPO/JE/APO/AE Programme

Januari 2015

This list is based on the DAC List of ODA Recipients. It consists of the countries mentioned in the first column of the DAC list (Least Developed Countries), countries mentioned in the second column of the DAC list (Other Low Income Countries), and from the third column of the DAC list (Lower Middle Income Countries en Territories) only those countries with which the Netherlands has a bilateral development cooperation relation.

Please note that:

1. Candidates from developing countries must be nationals from countries that appear on the list below.
2. All country office positions funded under The Netherlands' JPO/JE/APO/AE Programme must be located in countries which appear on the list below. This applies to positions for nationals from eligible developing countries as well as to positions for Dutch nationals.
